Commissioner for Patents  
Washington, D.C. 20231

Sir:

In compliance with the Applicant's duty under 37 CFR § 1.56, the following information is brought to the attention of the Examiner. The items are listed on the attached form PTO-1449 and copies are enclosed for the convenience of the Examiner.

The items identified in this Information Disclosure Statement may or may not be "material" pursuant to 37 CFR § 1.56 and the submission thereof by Applicant shall not be construed as an admission that any such patent, publication or other information referred to therein is material or considered to be material (37 CFR § 1.97(h)), or even qualifies as "prior art" under 35 USC § 102 with respect to this invention unless specifically designated by Applicant as such.

The filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information, as defined in 37 CFR § 1.56, exists.

The attached Information Disclosure Statement and Forms PTO-1449 are being filed in accordance with 37 CFR §§ 1.97 and 1.98. This IDS is believed to be timely in that it is being

submitted under 37 CFR § 1.98(b)(1), that is within three months of filing, and also under 37 CFR § 1.97(b)(3), before the mailing of a first Office Action on the merits, and thus no petition or fee is required. However, if the undersigned representative of Applicant is in error in this regard, then the Examiner is requested to consider this a petition and is hereby authorized to charge any fee required by the filing of these papers to Lyon & Lyon's Deposit Account No. **12-2475**.

Respectfully submitted,

LYON & LYON LLP
